For:	Integral Mixer and Oscillator Device)

Terminal Disclaimer

TERMINAL DISCLAIMER

Dear Sir:

I, David B. Cochran, represent that I am the attorney of record in this application and I have been authorized to sign this Terminal Disclaimer on behalf of the assignee identified below.

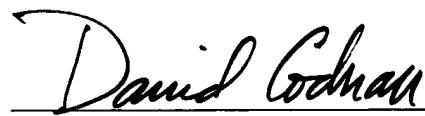

The assignee is Research In Motion Limited (“RIM”), a Canadian company having a principal place of business at 295 Phillip Street Waterloo, Ontario CANADA N2L 3W8. The assignment of the parent application, U.S. Patent No. 10/254,332, of which this application is a continuation, is recorded in the records of the United States Patent and Trademark Office at Reel 013332, Frame 0913. By this assignment, RIM owns all of the rights in this application. I, a person authorized to sign on behalf of the assignee, have reviewed the evidentiary documents referred to above and certify that, to the best of my knowledge and belief, title is complete as to the assignee in order to take further action.

Disclaimer

On behalf of the assignee, I hereby disclaim the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patent granted on US 10/254,332, and hereby agree, on behalf of the assignee, that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. 10/254,332, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantor, its successors or assigns.

Assignee does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent granted on US 10/254,332 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shorted by any terminal disclaimer, except for the separation of legal title stated above.

A duplicate of this disclaimer is attached.

David B. Cochran
